

## VISIT OPTIONS

### GROUPS OF 30+ (Max. of 80)

Students rotate through the museum exhibits and the Lost Lake School in groups of 10 to 15. Overall length of field trip can vary from three to four hours, depending on lunch break and other options.

Options include a grade-school level I-spy game, informational scavenger hunt for older students, and historical outdoor games after the school house tour.

### GROUPS OF LESS THAN 30

Smaller groups of less than thirty students have the option to enjoy a mini-classroom day, following a typical one-room school curriculum along with a museum tour. Half of the students will go to “school” for one hour, enjoy a 20-minute recess, playing traditional games while the other half tours the museum before switching places.

### SPECIAL REQUESTS

If there is a local history topic you would like to explore in more depth, please contact us about creating a specific program to meet your needs.

## LUNCH FACILITIES

Your group may choose to eat your sack lunches inside our hall at tables or outside on our lawn if the weather permits.

Please visit our website for more field trip planning information at:  
[www.LostLakeRandolphHistory.org](http://www.LostLakeRandolphHistory.org)

You can download a field trip planning guide and reservation form.

### For more information:

Society President, Arnie Bashynski  
920-326-3301

Or email:  
[contact-us@lostlakerandolphhistory.org](mailto:contact-us@lostlakerandolphhistory.org)

We are located at the intersection of State Hwy 73 and Concord Road halfway between Randolph and Columbus.

If you can't visit with a class, please join us during our normal operating hours:  
1-4 pm the first and third Sundays  
June through September.

1877-1953

## MUSEUM DISPLAYS

The Lost Lake - Randolph Historical Society is one of thirteen local historical societies in Dodge County and is affiliated with the State Historical Society.

The society was formed in 2001 by concerned area residents seeking to preserve the old St. Mary's Church at Lost Lake. The church building now houses a museum with a wide variety of exhibits perfect for learning about our local history.

Our displays include extensive information on area one-room schools, churches, cheese factory and farming history, Indian arrowheads, and Randolph Fire Department memorabilia.

Students will be entranced by the detail in our 10' x 14' model train set.

They can examine an old-fashioned kitchen (and be glad they now have modern conveniences.)

And they can see how people dressed long ago in our clothing and hat display.

A visit to these exhibits along with our authentic one-room school will be a fun learning opportunity for your students.

## LOST LAKE SCHOOL

The Lost Lake School operated as a one-room school house from 1877 until 1953. It was located at the corner of State Hwy 73 and County Road FW before being moved a half mile to the north to become part of our museum in 2010.

Through restoration efforts we've been able to recreate an authentic school interior. It truly feels as though you have stepped back in time when you enter.

Your students can imagine what it was like years ago, learning alongside kids much older and younger than them in the same room.

We'll discuss a typical day, including lessons, lunch, recess, bathroom breaks, daily chores and more.
